

Join us for the Bergeron Clifford

Speaker Series

The bridge from hospital to home can be treacherous. Discharge planners are responsible to ensure that exceptional hospital care is followed up by exceptional community-based care. The work is challenging at both ends.

Please join us on March 30, 2011 for a discussion of the ins and outs of discharge planning.

Our experts Marilyn Ashford and Julie Evoy, social workers at St. Mary's of the Lake and Neil Muchmore, service coordinator at Regional Community Brain Injury Services will share with you their knowledge and experience in this area.

Lunch will be provided.
